Separate 2023 Ramadān ★ Timetable ★

★ *Few Ahadith related to Moonsighting:* ★

“Do not fast till you see the new moon, and do not break the fast till you see it (the new moon), but if the weather is cloudy complete (thirty days).” {Bukhari and Muslim}

“The month consists of twenty nine nights, so do not fast till you have sighted it (the new moon), and if the weather is cloudy, then complete it thirty days.” {Bukhari}

“Whenever you sight the new moon (of the month of Ramadan) observe fast, and when you sight it (the new moon of Shawwal) break it, and if the sky is cloudy for you, then observe fast for thirty days.” {Muslim}

The Prophet (PBUH) used to count the days in Sha’ban in a manner he did not count any other month, then he fasted when he sighted the new moon of Ramadan, but if the weather was cloudy he counted 30 days and then fasted.” {Abu Dawud}

★ **Key Dates in 2023 (1444 - 45)** ★
